BarreAmped®

Barre Instructor Training
Program Guidelines

I. Barre Certified by BarreAmped®
   A. Upon successful completion of BarreAmped® Level 1 Training you earn:
      1. The title 'Barre Certified by BarreAmped®'
      2. 3 months free access from your training date to the BarreAmped® Network where you can access training videos, tools, and resources online
         a) New material is added monthly to the BarreAmped® Network
         b) Discussion threads facilitate further learning and conversation
         c) Connect with other trainees directly inside the Network
      3. After your first 3 months, choose to continue access by paying yearly up front (discounted) or monthly (cancel anytime)
      4. Manage your payment account and payment method inside your Network profile
   B. Renewal/Expiration Date
      1. Your Renewal/Expiration Date is set 12 months from the date of your Level 1 training
      2. Find your Renewal Date listed:
         a) On your downloadable Certificate of Completion
         b) On your Network profile

II. Licensed BarreAmped® Partner Instructor
   A. Details forthcoming on the comprehensive program and mentorship to apply as a licensed BarreAmped® Partner Instructor
   B. Benefits of licensing with BarreAmped®
      1. License to use the BarreAmped® trademark in class names and marketing materials
      2. Listing on the BarreAmped® website directory
      3. Discounts on merchandise and branded equipment
      4. Discounts on workshops, webinars, and conferences

III. How to Maintain an Active Certification Status with BarreAmped®
   A. Remain a member in good standing of the BarreAmped® Network
      1. Access to the Network will be terminated and your certification status changed to Inactive in the event of:
         a) Failed or canceled payments
         b) Inappropriate or illegal behavior regarding your certification
   B. Reference the tools and resources contained therein
      1. New video material is added monthly, such as:
         a) Full sample classes
         b) Class segment samples
         c) Teaching tips
         d) Exercise variations & inspiration
      2. Train in further levels or formats and access more resources at no additional cost
